

FAKULTÄT FÜR HUMANWISSENSCHAFTEN

University of Nottingham (Great Britain)

The University of Nottingham expands its grounds over 8 campuses, including one campus in Ningbo, China and one in Malaysia. The Jubilee Campus (an award-winning green campus recognized for its innovative architecture and sustainability) and the University Park Campus which is one of the largest and most attractive campuses in the UK. The importance of the University can also be seen by the Nottingham's alumni ranging from leading edge scientists to international politicians, who continue to make significant contributions in their chosen fields all over the world. Students from the FHW can choose to study there in the fields of Humanities, namely Cultural Studies, German Studies and Economics.
