

Changes to the recognition of achievements abroad

Please note: This form is to be regarded as a supplement to the "Recognition of achievements abroad" form completed before your stay abroad. Please only fill it out if there have been changes to your course selection during your stay abroad and therefore requiring a Changes Agreement to your previous Learning Agreement. Please indicate all changes, including the classification in the module in your degree programme at the OVGU, before handing it over to be confirmed and changed, if necessary, by your academic advisor. You should then send the completed form together with the Changes Agreement to the OVGU International Office, which will forward it to your academic advisor and the Examinations Office.

IMPORTANT: Please consult your academic advisor and the Examination Office informally by email as soon as possible, so that they can confirm the recognition of the courses / lectures abroad to reservation and you can already attend them abroad.
