

FACULTY OF HUMANITIES

European Studies European Policy Analysis (M.A.)

The master's programme in **European Studies European Policy Analysis** is an interdisciplinary course of study which is divided into the two following specializations: **European Social and Economic Policy Analysis** (taught in English) and **European Social and Cultural Policy Analysis** (taught in English and German). Both programmes combine insights from political science, sociology, cultural studies and economics while specifically focusing on the policymaking process of the European Union.
